

Broadway Timeline

- 1PM** Walk down the [Arcade](#) (between 4th and 5th, and Union and Church). Get the deep fried “All In” roll from [Jimbo's Sushi](#), then something sweet from one of the bakeries.
- 3PM** Walk down 2nd (between B'way and Church) and if the music appeals to you, grab a drink. I like the [Stillery](#).
- 5PM** Get a beer at [Flying Saucer](#). They have an unbelievable selection, and it's a great excuse to walk by the [Union Station Hotel](#).
- 6PM** Get some BBQ to soak up the booze for the night. [Jack's](#) is right on Broadway. [Martin's](#) is more authentic.
- 7PM** [Robert's Western World](#) is a touristy honkytonk with high quality music. They play 45 minute sets. Go for one drink, tip and leave.
- 8PM** [Acme](#) has great music, but is often very crowded. If you can't get in, find one of the touristy places and ride a bull. Yee haw!
- 10PM** Printer's Alley is a cool little strip. Try [Bourbon Street Blues and Boogie Bar](#) for a break from country. [Fleet Street](#) is a Brit-style pub that pours a great pint and has darts, but allows smoking.
- 11PM** End the night at [HQ](#). It's a “beercade” with vintage pinball machines and console arcade games. Good drinks, too.
- 8AM** Hangover breakfast at the [Hermitage Cafe](#). Get a [Crema](#) coffee on the walk (though the best european-style non-hipster coffee is [Dunn Brothers](#) at Church and 4th).

Fun with the Family

- Opryland Hotel** - It's not just a hotel. Park at [Opry Mills](#) (great outlets!) and walk over. Spend an hour or two walking around or grab a drink and sit.
- Farmer's market** - Hit the food court for lunch and browse some great local foods. Walkable from downtown, or take the free downtown loop bus.
- Nashville Zoo** - Doable in a day with a great variety for a small-ish zoo.

Beer and Cocktails

Best Mixed Drinks

[The Patterson House](#) is beautiful, snobby and hard to get into but, oh, the drinks...

Best Brewery

[Yazoo](#) has a great patio, vibe, and pitchers of beer. It's always hopping.

Best Beer Selection

[Flying Saucer](#) has an absurd number of beers on draft. Love the soft pretzels.

Best Place to Drink

[Smith & Lentz](#) is a brewery with tons of space, ping pong tables, and other bar games.

Food

Barbeque

[Edley's](#) They also have a great bourbon selection and the best pecan pie I've ever had.

Hot Chicken

[Hattie B's](#) Expect at least a 30 min line. The one on 19th is always packed. I met Steven Tyler there.

Meat and Three

[Dolls](#) (East Nashville) or [Arnold's](#) (downtown). Both are more for takeout, not sit down.

Fried Pickles

[The Row](#) They also have a great selection of bourbons. Sit in the bar area for a better vibe and live music.

Burger

[The Pharmacy](#) has an amazing \$15 burger, [M.L.Rose](#) has the best for \$10, and [Fat Mo's](#) has the best “fast food” burger.

Ice Cream

Check out [Jeni's](#) for interesting flavors, but you pay for the experience. [Maggie Moo's](#) is more traditional and offers unlimited mix-ins!

Vegan & Vegetarian

[The Wild Cow](#) for the Buffalo Tempeh. They also have their sister place, [Graze](#), behind it that's a little nicer and has cocktails.

Tacos

[Mas tacos](#) Hipster but delicious and affordable. Try the soup. Just get there early. It can get very busy.

The Best of Nashville

According to [Corey Maass](#), who used to live there
